Diary of a Bad Year by J.M. Coetzee is not the first novel that the author writes with a suspiciously autobiographical tone. The Nobel laureate is known for playing with the thin line that divides fiction from non-fiction on several occasions, especially exploring the writing life of an author, thus a meta-writing, while at the same time staying

J.M. Coetzee is one of those rare novelists who pushes the boundaries of what a novel is. The progression from his mid-career novel, the spare but terrifying *Disgrace* (1999), through *Elizabeth Costello* (2003) to *Diary of a bad year* (2007) is so dramatic that there are those who question whether these last two are even novels.
