KCS is a form of Reactive Knowledge Management whereby a solution to a problem is captured at the time it occurs and made available to the support center for re-use. What is the term used in KCS to describe a single unit of structured knowledge?

KCS Practice Test & Unit Q/A's Flashcards - Cram.com

KCS is not something we do in addition to solving problems. KCS is the way we solve problems. Official KCS training, certification, and tools can be found at The KCS Academy.

Knowledge-Centered Service (KCS®) - Consortium for Service ...

KCS is very different from the traditional knowledge engineering approach, which is based on the concepts of knowledge from a few for the use of many. KCS is a many-to-many model. Its elegance stems from the fact that it is demand-driven and self-correcting, because it is based on the academic concepts of double loop learning.

KCS Principles and Core Concepts - Consortium for Service ...

The Coach's goal is to support the KCS Candidates in learning to do the Solve Loop, adhering to the content standard, and using the most effective problem solving process. The Coach has succeeded when the KCS Candidates are consistently and efficiently creating articles that adhere to the Content Standard.
