New Moon Summer Seasons Of

Nice add-on novella to Six Moon Summer (#1) (Seasons of the Moon) and the first in the episodes to go along with series. Long enough to pique interest in the Cain Chronicles but a little on the short side if you enjoy the way Reine spins a tale. (No pun intended) If you have read the first book you will be aware of the romance between Rylie and ...

New Moon Summer by S.M. Reine - Goodreads

June is called the Strawberry Moon as that month is the peak of the season. Mead Moon is another name, as fermenting started earlier in the year to produce a proper drink. Continuing the new season's growth, July is often called Buck Moon because male deer's antlers start growing around

Eclipse season 2020 has arrived! Catch 2 lunar eclipses ...

In the late summer and fall, a last quarter (aka 3rd quarter) moon is preferable. A last quarter moon comes 7 days before a new moon, and rises around midnight, which leaves the evening hours dark. During the summer months, it's more important to view during a new (or slim crescent) moon because the nights are much shorter.
