Frances Lief Neer (Author of Dancing in the Dark)

Often, the elephant in the room remains exactly what it is—seen but unacknowledged—because we know there will be some sort of challenge to face if we name it. Since we're sometimes unprepared to deal with that challenge, it can be easier to leave the elephant in the "pretend shadow"—and in fact sometimes that's the wisest response.

The Elephant in the Room: Uncovering Our Blind Spots | Kripalu

Neer describes this experience in "Perceiving the Elephant: Living Creatively with Loss of Vision," a collection of essays that she edited. She is also the author of "Dancing in the Dark," a guide for living fully with blindness, and is working on a third book, "Breaking Barriers: Blind Rites of Passage, the Extraordinary Stories of Uncommon ...

Pick a color family from your scrap fabric collection. Mix up your fabrics so you don't have to of the same piece side by side. Outline the elephant with a big-stitch running stitch using 6 strands of embroidery floss. Begin to add pieces to fill in the elephant's body on the background fabric.

Creative Studio - Ticker-Tape Elephant Wall Hanging: Part 2

It was now time to head into the bush and experience more of the elephant range. We drove through The Enclave, another place where people share their living space with elephants. We came across what could have been an installation art exhibit hanging just outside a family's fenced in home. Collections of salvaged metal hung from trees.
