SLA RESEARCH AND LANGUAGE TEACHING. Rod Ellis | Request PDF

Abstract The purpose of this general overview article is to outline how research into second language acquisition (SLA) over the last few decades has fed into our understanding of learning and teaching in foreign language classrooms.

Second language acquisition (SLA) research: Its ...

The field of Second Language Acquisition (SLA) research is an active, growing and fascinating one. As in many ongoing research areas, there are more questions than answers. For most teachers of English as a Second Language (ESL), at least one course in SLA is required to receive certification.

Applying SLA Research and Theory To Practice: What Can a ...

In this paper, following a review of language teaching practices of the past fifty years, I reassess the ten generalizations in light of the considerable amount of classroom-based SLA research which has been carried out since 1985, especially that which has addressed pedagogical concerns in primary and secondary school foreign and second language classes.

Anniversary article. Classroom SLA research and second ...

11. CLT AND SLA Communicative language teaching came out at a time when teachers were sceptical about the role of grammar in foreign language instruction (Mitchell, 2000) and felt disillusioned with the results of audio-lingual teaching (Lightbown, 2000). But the drastic changes that took place in foreignsecond language teaching starting in the sixties had their immediate antecedents outside SLA research and theory.

Second Language Acquisition and Language Teaching

There is currently a substantial body of research on second language (L2) learning and this body of knowledge is constantly growing. There are also many attempts in most teacher education programs...

The relationship between SLA research and language ...

SLA research deals with one way in which humans learn language, part of a greater discipline of language acquisition that encompasses L1 and L2 acquisition. Indeed monolingual L1 acquisition can be seen as an aberration that it only occurs when children are deprived of exposure to a second language (Cook, 2009). 1.

Key Issues for SLA and language teaching

Second-language acquisition - Wikipedia

There are those who maintain that SLA must be applicable to L2 pedagogy: a view based on the argument that because SLA is a subfield of applied linguistics, it should have direct relevance to L2 teaching. Others take the view that not all areas of SLA research need to be relevant to L2 pedagogy - only the more 'applied' areas.

SLA research and L2 pedagogy: Misapplications and ...

There is currently a substantial body of research on second language (L2) learning and this body of knowledge is constantly growing. There are also many attempts in most teacher education programs around the world to inform practicing and prospective L2 teachers about second language acquisition (SLA) research and its findings.

The relationship between SLA research and language ...

Emotions are the heart of language learning and teaching, and yet they have largely remained in the shadows in the past decades of applied linguistic research. Swain (2013)argued, “emotions are the elephants in the room - poorly studied, poorly understood, seen as inferior to rational thought” (p. 195).

The Flowering of Positive Psychology in Foreign Language ...

The Ph.D. program in SLA at the University of Maryland, College Park has a strong cognitive science and research focus for students working in English as a foreign language and less commonly taught languages.
