Hi I currently have a vw passat 1.9 TDI BKC engine 105 bhp
A few weeks ago I had a fault code reading P0401 in which I replaced the EGR valve and clean the pipes leading in to it. How ever the car is still reading the same code and now is idling poorly. When the car is at idle the revs will drop as if the car is about to stall. i have take the car to a number of mechanic's and they cannot find ...

Vw BKC EGR problems 1.9 BKC - VW Forum

I was wondering if some of the guru's on here could clarify for me whether or not the MkV Golf 1.9tdi engines with codes BKC and BXE use the same injector units? they are both 1.9tdi PD engines the reason i ask is because i can get a complete cylinder head from a BXE engine for the cost of a single injector for my BKC engine'd MKV which needs 3 injectors replacing!

Engine Finder helps you to search for a Volkswagen engine that is within your price range. Used VW engines are cheaper than new. Locating Volkswagen engines for sale is made simpler when you work ...

VW Engines For Sale in South Africa (Used, Imported & Rebuilt)

VW had 3 revisions. None of them are reliable. I'd avoid this. BLS - this one is with DPF I think and the cam is like in BRM with bad injector profile and prone to failure. BRU - This one is 66 KW engine. Too weak, I'd say, you might want something more powerful. Everything is the same as BKC engine, difference is only the ECU (different tune).
